6" Sewer Lateral	\$1,500.00
8" Sewer Lateral	\$2,000.00
Sewer wye Connection	\$750.00

### Notes:

1. The time required for the following service installations by City crews have been estimated:
  - a. Fire Svc./Meter = 4 to 6 weeks
  - b. Hyd. = 3 to 4 weeks
  - c. SL = 3 to 4 weeks
2. Applications submitted or dropped off without proper documentation or containing errors or omissions require additional coordination and will delay the installation. Sewer laterals to be installed deeper than eight feet will be returned for private construction. All services in Broward County right-of-way will be privately constructed and permitted by owner.
3. Meters that are two inches in diameter and/or smaller are applied for at the Water Billing/Treasury Office at City Hall, Main Floor, 100 North Andrews Avenue, Fort Lauderdale, (954) 828-5150.
4. Meters that are four inches in diameter and/or larger are applied for at the Construction Services Bureau at 300 NW 1<sup>st</sup> Avenue, Fort Lauderdale, (954) 828-5123.
